CATHOLIC COLLEGES

232 Catholic colleges and universities reported an enrollment of 551,466.

HOSPITALS/HEALTH CARE AGENCIES

A total of 42,077,483 patients were treated by 640 Catholic hospitals and 206 dispensaries. In Catholic hospitals alone, 40,485,316 patients were treated. Through spin-offs of health care agencies, an increase of 528,384 patients have been reported from last year.

SEMINARIES & RELIGIOUS ORDERS

The 69 diocesan seminaries recorded an enrollment of 3,578 seminarians. The 166 Religious seminaries showed 2,068 students.

Both diocesan and religious seminaries noted a decrease from last year in number of students.
